The EAGLE staff takes great pride in dedicating this year's Annual to Bonnie Craig. Mrs. Craig has exceptional qualities that reflect in her caring for all of us. Her smile and cheerfulness have warmed our hearts many times. She takes a personal interest in all of the students and will often offer her motherly love and adivce to those who need it. We're sure you will agree that Mrs. Craig is a rare and special person.

For all of these things and many more. we say thank you.

MRS. CRAIG.

Seniors

12 year Seniors: Back row: Dwayne Patschke, Bryan Sherrod, Brenda Timmons, Vicki Davis, Tracy Parker, Julie Barton, Terry Jones. Center row: Johnnie Adkins, Donna Taylor, Domingo Lopez, Barbara Mann, Danny Gillit, Ricky Lara, Kristi Medley, Eddie Reynolds, Kelly Hays, Billy Johnson, Corina De Los Santos, Winna Rennels. Front row: Beverly Miller, Donna Jan Oliver, Bart Newell, Jim Harbour, Becky Gaona, Jr. Vasquez, Angela Flores, Diann Lamprecht.

1979-1980 Senior officers: Top row: Johnnie Adkins — Co-Parliamentarian, Corina De Los Santos — Treasurer. Center row: Dwayne Patschke — Vice President, Brenda Timmons — Reporter. Front row: Ed Butler — President, Roxanne Whetzel — Secretary, Danny Gillit — Co-Parliamentarian.

SENIOR FAVORITES, Vicki Davis and Ed Butler were chosen by their classmates to represent them as favorites. Throughout Vicki's twelve years at Roosevelt, she has been active in many organizations and sports. She was chosen because of her friendliness and sincerity. Ed, a student at Roosevelt for five years, has certainly fit right in. He has been involved in sports, FFA, Student Council and various other activities. He was chosen to represent Roosevelt at Boys' State. Ed was chosen for his outgoing personality and involvement in school affairs.

LIVE YOUR MOMENTS

The Senior Class of 1980 spent a tremendous amount of time and energy earning money for the senior class trip. For the first time this year the Senior Class worked in both high school and junior high school football concession stands. Along with this project there were trash hauls, a raffle, a movie, Pro-Keds Spirit Shoes sales project and the painting and upkeep of the parking lot. All of these efforts netted $2,928.81 which was for the Senior Trip to Six Flags for "Senior Night." About forty seniors and their sponsors departed Friday morning and returned Sunday afternoon.

This year's Senior Class left a special gift to the school, a beautifully mounted Eagle. The class paid for the refurbishing of the Eagle and its case. This Senior Class of 1980 was certainly an outstanding class.

Vicki Davis, a twelve year student at Roosevelt, is certainly an asset to the school. Besides being honored as Miss RHS, she was also chosen Best Dressed. Vicki's winning smile and pleasant dispostion have made her a favorite among her peers.

Johnnie Adkins, is by far one of the most admired and best liked Seniors to represent the school. His leadership and dependability, his friendliness and school spirit are only a few of the attributes which made it easy for fellow students to elect him Mr. RHS.

Vicki Davis and Danny Rocha were chosen as having the nicest appearances and most stylish clothes. With such variable weather it's hard to always appear "nice and neat," but Vicki and Danny seem to have succeeded. Best Dressed seems to be their forte.

Being outgoing and energetic as well as spreading that energy to others were what earned Andrella Ned and Billy Johnson the title of Most Spirited.

Barbara Mann and Danny Gillit were chosen by classmates as Most Athletic at RHS. They were given this honor because they have both taken an active part in athletics, and shown skills of an athlete.

Having good common sense was one of the qualities that earned Corina De Los Santos and Andrew Dunlap the title of Most Scholastic. They were also chosen because of their scholastic achievements, intelligence, and high grades.

Terry Wiley and Donna Jan Oliver were chosen as Wittiest because they possess a good sense of humor and have a personality that is enjoyable to be around. A day didn't go by that they didn't make someone laugh.

Chosen as Most Dependable were Donna Taylor and Ken Ramsey. Both were very active in various school functions and when something needed to be done — one could depend on these two to get the job accomplished. It would be hard to find two more responsible people than Donna and Ken.

Johnnie Adkins and Tonya Meason were chosen Friendliest by their fellow students because of their warm smiles and kind personalities. It is no wonder that these are two of the most likeable seniors.

Dee Dee Payne and Ed Butler were chosen as Most Flirtatious by being friendly, charming, and just being an all-time flirt.

Being considerate, thoughtful, and loyal, gave Angela Flores and Dwayne Patschke the title of Most Sincere.

If any two people could ever be thought of as Most Daring, it would certainly have to be Kelly Johnson and Bart Newell. If there was a doubt in anyone's mind that something couldn't be done, you could leave it to Kelly and Bart to prove them wrong!

Being friendly and popular and having a "good looking" appearance were what earned Rex Beck and Roxanne Whetzel the title of Best Looking.

If you ever saw two people hiding around a corner until the hall was clear of people, it was probably Becky Gaona or Feliciano Romo as Most Bashful. However their bashful smiles were always warm and welcomed.

Who's Who is an honor bestowed upon certain members of each graduating class. These students are nominated by a selected committee and are then elected by the student body. This year's Who's Who selection could certainly be called the "Cream of the Crop."

Possessing the characteristics of kindness and consideration were a rare quality found in Toni Roberts and Bryan Sherrod that earned them the title of Most Courteous.

Denise Townsend and Al Hunt were chosen to receive the title of Most Likely To Succeed for their dependability, leadership abilities, and scholastic achievements.

Cynthia,
You're a good friend
to have even with your
hot temper. I have enjoyd
working with you and I have
almost enjoyd your company (HAHA)
I wish you all the luck in

Juniors

Memories Too Painful

This year's Junior Class was perhaps one of the most interesting and enthusiastic Roosevelt has ever had. Numerous students participated in the trash haul and the movie proved to be a smash. A total of $419.54 was collected from these two ventures which is a good start toward financing the senior trip. Although the senior trip plans are indefinite, you can bet that the Junior Class will choose a different and exciting place!

REMEMBER THE

The Sophomore class is the beginning of money-making projects to finance the future senior trip. This year's class sold white frisbees with an eagle and the school's name on them in maroon. Another project was a movie "The Bears and I." This year's Sophomore class is the largest in the high school with 103 members. One outstanding student is John Hester, president of the class, but also the artist of the cover of the 1980 EAGLE.

The Freshman Class had a rather calm year the first year in high school. It takes that long for this group to become "acclimated" to new people, new rules and new ways of doing things. This year's Freshman class is second in enrollment with one hundred students. To get the bank account started for an eventual senior trip, the class sponsored a movie and earned $250.00. Many of these students become involved in UIL events and the Science Fair held annually at Roosevelt. There are some outstanding students in this class which should help make it an outstanding class in the future.

If the newcomers, seventh graders, have adjustments to make when entering Junior High, the old-timers, eighth graders, have it made. They already know the ropes. Pep rallies before football games become a part of the fall activities. As the seasons change so do the sports aciivities and the eight graders can be found involved in these activities in large numbers. Along with sports come events such as UIL Science Contests and the Literary Events. Band is an important part of some students' lives and concerts are presented during the school year. This spring many eight grade students took part in a very successful walkathon for the March of Dimes. A field trip to the Texas Tech Theatre was enjoyed by the eighth grade Speech class. These are but a few of the activities these students participated in during the 1979-80 school year. It was all culminated by a field trip at the end of the year to KAMC TV station and the Ranching Heritage Center.

MEMORIES ARE

The newest junior high members face many new changes and adjustments. These students are involved in various events and activities during the year. The seventh grade speech class took part in the U.I.L. One-Act play and presented it to the Junior High student body. Also the band members were part of a field trip to Canyon. Many students are involved in various sports activities throughout the year. Assemblies are held and consist of such topics as speakers from the Texas Department of Corrections to more lighthearted themes such as the movie "Ugly Dachshund." The year was climaxed with a trip to 1st National Bank and KAMC Television Station.

UP THE LADDER

The Sixth Grade is a very important and exciting year. It is the final year in elementary school and that indicates a new beginning the next school year as junior high students. Because of these factors, sixth graders spent the year doing a variety of things. Perhaps one of the most important events was UIL. Those going to UIL in spelling were: Steve Sides, who placed 4th; Brad Raven, Bonnie Dunlap and alternate, LaDale McCallister. Oral readers representing the 6th grade were Donna Gillit, Jim Miller, who placed 2nd, Michelle Wyatt and alternate Jill Clark. The softball contest between Mr. Bonds's and Mrs. Davis's classes ended in a tie. The sixth grade had a fantastic time at their end of the year field trip by going to the Skate Machine.

The spectacular third grade started off the year by using their intellectual ability by producing a filmstrip on bicycle safety. This is very important at their age when the bicycle is the main mode of transportation.

An outstanding student is Tammy Hamilton who went to U.I.L. in story telling.

Highlighting the end of the year were field trips to Flatland Dairy and the Texas Tech Museum. They also went to the planetarium to enjoy a thrilling show.

KNOWLEDGE FOR OUR FUTURE

When one reaches the second grade, life suddenly begins to settle down and get serious. Reading is becoming easier (a little), math has new names like addition with regrouping and spelling begins to get down to business. But with all of this "serious stuff" there's time for fun. Throughout the year the various holidays are celebrated with parties. A play, entitled "Anyone Could But . . ." was presented to all the second grade classes. The annual end of the year field trip included a movie, a visit to the fire station and a Picnic at Maxey Park.

DID YOU HAVE AN EXCITING YEAR WHEN YOU WERE IN THE FIRST GRADE? The students at Roosevelt did many things during the year, besides learning their ABC's. One interesting thing is learning to read with the use of puppets. Perhaps the most exciting event was a reenactment of the first thanksgiving complete with pumpkin pie and Indian Cornbread. There were a number of special guests invited to share the meal.

FUTURE PLANS WILL

The first years of school are always the most exciting, especially to the kindergarteners. Their first year proved their acting ability, they reenacted the first Thanksgiving by dressing up as Pilgrims and preparing cornbread, pumpkin pie. Cranberry sauce was purchased and brought to the feast along with apple cider. The Title I first graders joined in with the Kindergarteners and dressed up as the Indians. The special guests at the feast included: Mr. Taylor, Mr. Clanton, Mr. Smith, and Mrs. Wilkes.

The PAT Organization does much to boost the spirit of the elementary school. They are attentive to the needs of the school and strive to make things better. To keep parents on top of coming events, THE EAGLE CONNECTION is compiled and periodically sent home. The annual Halloween Carnival is always a success. It's always a blast to dunk your "favorite" teacher in the tank. This was the second year for the Christmas Shop and the children found lots of neat things to buy their special people. This club deserves a unanimous vote of appreciation.

In the high school the Booster Club does a terrific job of keeping up the morale of the student body. Each year the members provide valuable time to the school. An Ice Cream party is held for all the football teams at the beginning of the season. And soon after that there's a Hot Dog supper for the teams and community. Basketball season finds the club managing the concession stand during games. But that's not all — contributions are made each year to the Roosevelt Stock Show and the Special Olympics. Anyone can see this club provides a great deal — and the school says "Thank you."

FUTURE TEACHERS

Future Teachers of America play a big part in the activities at Roosevelt. To earn money for various needs the club sold posters, stuffed animals and had a talent show. That was a first! In the spring several members who had earned enough points were accompanied to Houston by Mrs. Curry, stand-in for Mrs. Perez, sponsor. Those attending were Terry Wiley, Andrella Ned, Peggy Blackwell, Brenda Timmons and Belinda Arredondo. Teacher Appreciation Day was held in the spring with students taking over for half-a-day. The teachers enjoyed this as well as the good food supplied by the members. A banquet at Western Sizzlin topped off a successful year for the club.

THE REVILLE

This year's REVILLE was once again the recipient of several newspaper awards awarded through UIL. Several editions were different this year — one being the Christmas edition with lots of colorful pages — literally. The last edition was put together entirely by the staff without the watchful eye of Mr. Eudy. The REVILLE is a very important part of our school's life. It keeps the student body up on current happenings as well as reminding us of past graduates and the latest events in their lives. It is truly a great source of information around Roosevelt School and we appreciate it.

Athletics

Noreen Patschke received the Community Service Award presented at the 1980 Sports Banquet. This award is given by the Roosevelt Booster Club to an outstanding person in the community. Mrs. Patschke certainly gave a great deal of her time and effort to many school and community events. The Roosevelt School and Community is fortunate to have such a fine person.

Two important awards are given to senior athletes each year at the Sports Banquet. One award, Athletic Beau and Sweetheart was presented to Johnnie Adkins and Barbara Mann. This award is determined by votes from boys and girls in the athletic program. The Fighting Heart Award went to Teri Jo Hayes and Dwayne Patschke this year. This award is determined by vote among the coaching staff. It is fortunate to have such fine young people at Roosevelt.

Varsity Cheerleaders

This year the varsity cheerleader squad proved to be one of a kind. The enthusiastic and spirited squad dared to be different by doing dance routines, new cheers, and new stacks and mounts. They sponsored a bake sale and the "Almost Anything Goes" assembly. To top it off, their posters and decorations really added spirit, especially during Homecoming Week. We say thank you for a job well done, cheerleaders!

Varsity Cheerleaders

J.V. Cheerleaders

The J.V. Cheerleaders were kept busy by working together with the Varsity on various projects. At the first of the year they sold class T-shirts, beat tags, and maroon machine buttons. They also worked hard making posters. They made their own mark by winning a spirit stick while at cheerleading camp at LCC.

HOMECOMING QUEEN

Dee Dee Payne

AND COURT.

This year's Homecoming Week was a "big event." It all began the week-end before when the cheerleaders and their sponsor spent the week-end decorating the school. The decorations certainly added to the spirit of that week. Dress-up week was also held with some days including Fifties Day, Maroon and White Day and Dress-Up Day. The Student Council sponsored the annual Bonfire and the winning class was the Juniors. A first for the Student Council was a large football float. Ron Reeves, quarterback for Texas Tech, spoke at our pep rally on Friday. To culminate this Homecoming Week the queen and her court were crowned at halftime on Friday night. The varisty football team nominated four senior girls and the school then elected the queen. This year's queen was Dee Dee Payne, who was escorted by her father, Sanford Whitaker. Included in the court were Barbara Mann escorted by her brother Daron Mann; Donna Taylor escorted by her father Don Taylor and Roxanne Whetzel escorted by her father Leon Whetzel. Fond memories will exist in everyone's hearts for a long time to come.

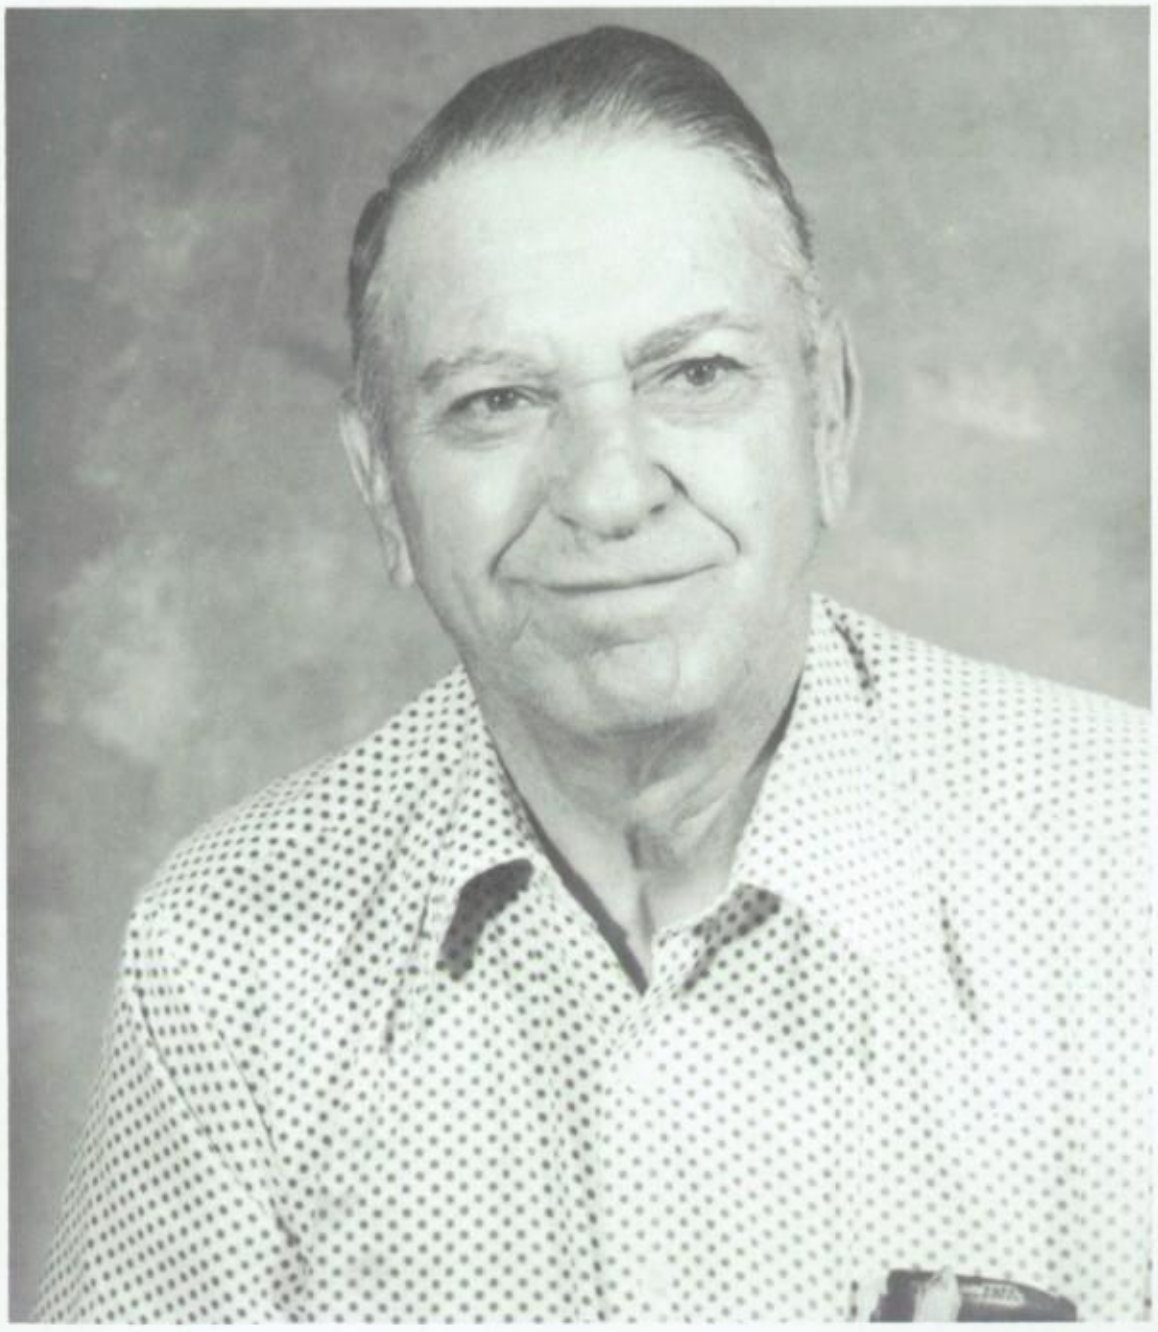
Mrs. Mayfield is retiring after 6 years at Roosevelt. She, along with the other ladies pictured, have kept the student body from the pangs of hunger each day. Thank you ladies!



J. T. Crumley retired this year after thirty-seven years in the teaching profession. Twenty-seven of those years were spent here at Roosevelt. Mr. Crumley gave not only his time in the classroom but he gave his personal time (his off time) as well. This gentleman of the Agriculture Department of Roosevelt may be "retired" but no doubt his face will remain a familiar sight around our school.

To Cindy,
I really dont know what to say!
Yeah I do but it is going to be
hard! Iam so glad that we became
such good-friends! We are going
to have to stay in touch when we
graduate I really do mean it!
You have been a very very special
friend to me! You are always
here when I need You! I hope
I will be able to do the same
whenever you need me! I
wish you all the luck in
the world with who ever you
choose to be with which I hope
like heck it will be skipper!
Cindy, whatever you do dont
ever lose that fantastic per-
sonality & youre and very
friendly smile!

Love Ya,

Cynthia,
If it weren't
for you we wouldn't
have any fun in C.D. Keep
up the good work!!!
